

Troop 129
Pittsford, NY
Parent Meeting
23 November, 2020 6:30 PM

Upcoming Meetings

Boys are planning next three meetings virtually.

- Court of Honor November 30th
- Cyber chip December 14th

Court of Honor

We all agree to go virtual rather than postpone. Threw around some ideas for a slide show or other way to highlight each Tenderfoot's accomplishment. Craig Dennison volunteered to put together a powerpoint.

Recruitment Meeting Review

Virtual went very well. Two AOL scouts attended. We showed a slideshow of troop activities and gave presentations on packing a backpack for camping, meal planning and preparation. We also played a scout trivia Gimkit that went over well. Mrs. Rubens would particularly like to note that our scouts came well prepared, sounded like they had practiced, and made us look good!

Rechartering

Hot topic is recharter. We are up-to-date on training for all but one person who plans to do it over Thanksgiving break. Roster is complete except for one scout and Monica will be meeting Steve Wilterdink Monday the 30th for a signature. Jennifer has an appointment with Justin on 12/5 to turn it in.

Rayson Miller Relationship

Al Herdklotz' yard clean up had another good turnout. Al and Steve are happy and we've done a good turn. Mason and Miles helped with the Veterans Day ceremony set up and clean up. We expect Candlelight night to be canceled so it is unclear when they will need us next.

Financial

Checking account balance for the Troop general fund is \$2642.73 after paying 50% deposit for Christmas trees. (this is separate from the boys' scout accounts)

Tree deposit was \$2037.50.

Joe suggested and we agreed we spend as much on activities and equipment as possible rather than build up a balance in the account. Monica is following up with Zach Romano at Can Kings to get a check for our current balance.

Tree Sale

52 total shifts available, 51 shifts filled. Thank you everyone!

New owners of Pete Greaves Tunnell has sold his house but new owners will allow us to keep our tree sale equipment in their barn. Tree set up is Wednesday Nov 25 and they are aware we are coming.

Brad Laundry has a detailed map of how to set up lot. Doug Miller is contributing tent (will drop it off with Eric Thurley).

Trees arrive on the 27th and Mr. Laundry will lead a sales meeting when they arrive.

Wreaths

Angie is picking up wreaths the 24th at 5 pm. Will bring to tree lot on Wednesday. There are 5 to sell at the tree lot. Angie will pay for wreaths and get a reimbursement check from Monica.

Class B T-Shirts

Thank you to Craig for working with the printer and finding the artwork. They can be ordered on the troop website, or bring the order form and money to tree sales. Orders due Monday the 14th.

Anything from last meeting?

Scout Holiday Party

Maybe something outdoors? Winteree type activities with limited adult participation.

Open Adult Positions

- adult equipment coordinator to work with Scout Quartermaster
- Chaplain

Resources

Documents, records and forms can be hosted on the Troop website (<https://pittsfordbsatrop129.org/>) if you give them to Carter Grinnell or Jennifer Rubens. **Please avoid posting on publicly accessible pages any personal information, particularly for minors**

Angie researched journey to excellence w/ chart, program planning guide, etc.

Next PLC/Parent meeting is December 21st, most likely on Zoom.

Adjournment 7:42 PM
